SOLID WASTE COLLECTION ROUTES

Solid waste will be collected once per week using the following schedule:

TUESDAYS – Solid waste will be collected for most areas east of Main Street and north of the railroad tracks on North Main Street.

WEDNESDAYS – Solid waste will be collected for most areas west of Main Street.

THURSDAYS – Solid waste will be collected for the areas of Franklin Heights, the center of town and Donald Street as well as 40 East and all walk-up/special pickups.

SOLID WASTE COLLECTION GUIDE

Solid waste carts must be at the curb by 7 a.m. on the scheduled collection day and must be removed from the curb by 10 p.m. on the day of collection. Only town-issued carts will be collected.

Solid waste must be placed inside a closed bag or cart liner and must be placed inside the Town cart provided. Carts should be properly placed near the street for collection. Bags next to carts will not be collected. All carts must be completely closed for pick up.

Limited pickup at your home (not at the curb) is available if you are disabled and do not live with anyone physically able to bring the solid waste to the curb. Please visit rockymountva.org/solidwaste for an application.

Used syringes and hazardous materials are not allowed in your solid waste carts. The Town can supply residential customers with a “sharps” box that you can use to dispose of syringes. These are available free of charge for pickup at the Town Municipal Building at 345 Donald Avenue. Used boxes may also be dropped off at this address for disposal.

BULK/LARGE ITEM COLLECTION GUIDE

The town will pickup bulk/large items on the first Monday of the month from residential households only. If that Monday is a holiday, pickup will begin on Tuesday. Residents can set out bulk/large items and brush at the curb for pickup no earlier than the Saturday before the collection day.

Bulk items (furniture, appliances, boxes, bags, etc.) should not exceed a pickup truck load per collection.

Bulk items and brush piles must be separated. Brush items can be no more than 12” in diameter and can be no larger than a 6’ x 6’ x 6’ pile.

Small amounts of homeowner-generated building material may be collected during bulk collection and must not contain any roofing shingles, asphalt, brick, or concrete. Hazardous materials including, but not limited to, gasoline, batteries, and tires will not be collected.

For a list of items that will not be collected by the Town of Rocky Mount, please review the Town of Rocky Mount’s Solid Waste & Bulk/Large Item Collection policy at rockymountva.org/solidwaste.
